- **Author** of bestselling A level Psychology guides

What's included

As **Head of Psychology**, with examining experience, I have spent decades working with students, **teaching exam skills, spotting common mistakes** daily, this has given me a clear sense of how students think- their patterns and **errors become surprisingly predictable.**

As a tutor, this allows me to teach to **exam success** and allow your child to exceed their own potential.

Over 30 years' experience helping students reach top grades.

- **Expert AQA A level psychology support**
- Focus on **exam techniques**, AO1/AO2/AO3 skills
- How to write **evaluations** effectively
- In-depth support with **essay writing & 16-markers**
- **Clear explanation** of complex theories & studies
- Help with **research methods** and how to contextualise
- **Resources included** - revision notes, past papers, A/A* model answers
- **Confidence-building approach** - encouraging but focused
- Support with time management & study skills
